The State of Oregon has provided face coverings to County and Tribal governments across the state to distribute where most needed within their communities. The Lincoln County Sheriff’s Office, Public Health and Board of Commissioners have worked closely with their cities, fire districts and local Community Emergency Response Teams (CERT) to provide for drive thru pick up of these available face coverings.

Instructions to Receive Face Coverings for Your Household:

- Go to one of the locations listed above on Saturday, June 13th; follow posted directions at pick up locations:
 - When you reach the front of the line, put your car in park, stay in your car
 - Hold up fingers to show number of face coverings you need
 - Roll down your window to receive your bag of face coverings
 - Drive away – the CERT and Fire Team Members will not be able to answer questions
- An informational handout on face covering use will be provided in your bag
