I understand that the estimated water meter installation deposit to be paid in full toward actual cost of meter hook-up. The actual cost of hook-up may be greater or less depending on field conditions. Full payment of difference will be required prior to water being turned on. In the event of over-payment, refunds will be paid to the applicant consistent with city ordinances and resolutions.

**CITY OF TOLEDO
APPLICATION FOR SEWER CONNECTION**

Review # _____

NAME _____ DATE _____

LOCATION ADDRESS _____ MAP/TAX LOT # _____

MAILING ADDRESS (if different) _____

DOMESTIC COMMERCIAL INDUSTRIAL

I (we), the aboved named, make application for a permit to connect to the City's sanitary sewer at the following location (describe specific location, in addition to the address above):

I (we) agree to install this sewer line in accordance with the City's specifications for sewer installation.

Before covering the connection to the City main line, call the City of Toledo Public Works Department at (541) 336-2247 ext. 2070. If the connection is covered before inspection, applicant is responsible to uncover connection and may face a City of Toledo code violation-Class A infraction.
